Choose your favorite layouts and print as many pages as you need.

PAGE		FRONT VIEW	BACK VIEW
4	Planner with Categories Use this layout if you enjoy the structure of pre-set planning categories.	✓	
5	Planner with Blank Lines Use this layout if your planning style is more free-form or if you prefer to create your own planning categories.	✓	
6	Three Models per Page Use this layout to experiment with different shapes and silhouettes, "try on" different pattern views, or explore outfit options for your next project.	✓	
7	Eight Models per Page Ideal for seasonal wardrobe planning or brainstorming different style options.	✓	
8	Nine Models per Page Perfect for your annual #makenine plans!	✓	
9	Twelve Models per Page Use this layout to plan a year's worth of monthly projects, or to test out lots of different silhouettes on one page.	✓	
10	One Model per Page Ideal for planning your project down to the smallest details.	✓	
11	Planner with Categories	✓	✓
12	Planner with Blank Lines	✓	✓
13	Four Models per Page Use this layout to compare the front and back views of four different silhouettes or pattern views, or to visualize the next few projects in your project queue.	✓	✓
14	One Model per Page	✓	✓
15	Your Measurements At-A-Glance Print and keep handy for easy reference, or clip and keep in your wallet.	N/A	N/A
